

We are excited to offer you...

eTitle

**An efficient web based title and
registration application built
specifically for dealerships!**

Instant Electronic submission of all deals!

- eTitle customer files are built from an upload taken directly from your Dealer Management System (DMS). Making it a simple verification process when completing work.
- Need to flip a title into your dealership's name? No problem. You can add and send all your dealer title only work to AADA instantly.
- Transmittals are a thing of the past. Once you are done verifying your work, push send and AADA receives your work instantly. Verify ---> Upload Documents---> Send to AADA... It's that simple!
- Eliminate the "wait" for waits... these deals can be done immediately and be ready before your runner even arrives to pick up. Making those "emergency" situations a little less worrisome.
- Gives you real time updates... real time information... and real time communication with our processors and help desk staff.
- Deals can be tracked from start to finish, with the ability to electronically check status of transactions at any time.

Digital submission of all documents!

- Scan, browse, and Upload all title and registration documents.
- Save Money on paper! Save your dealership money by submitting all work electronically and save yourself the stress of having to make copies of paper documents. Upload an electronic copy for us and you keep the originals.
- Forget to submit a document? No problem! Upload it into eTitle and AADA receives it instantly.
- Save Money on delivery! No more need to send couriers or mail in work for completion. With instant electronic submission there is no "in route" delay in getting work to us.
- Avoid having to wait 6-8 weeks for MVD researched film in order to get a title correction. With electronic processing documents can be available to our helpdesk in a matter of days.
- Protect you and your dealership! Documents are time and date stamped as soon as they are uploaded into the eTitle system, protecting dealerships from the Arizona 30 day bankruptcy law.

Advanced Electronic Accounting/Billing!

- Eliminate the wait to process your work! With **ACH payment**, all work is received by AADA within seconds and assigned to a processor for completion.
- Accounting/ Billing information at your finger tips! Get billing information anytime through easily accessible eTitle reports.
- Stronger accountability of charges to your dealership! Avoid the time and phone calls it takes to reconcile your deals with paper transmittals. Now all work has a more reliable electronic trail and can be directly researched through eTitle.
